**DECLARATION OF CONFORMITY AND QUALITY
REGULATION “CE” N° 808/2003 DATE 12 OF MAY 2003**

Our drainage systems are used without restriction in all modern food-processing plants. All our goods are made in Stainless steel 304 (316 on request) , the high quality assures an easy washing, hygienic conditions and safety, in any surrounding, as required by the European Community market and his regulations.

Best Regards
